Twenty-five years and beyond: BCCC celebrates 25th Anniversary

The 1994-95 academic year marks the 25th anniversary of Barton County Community College, a member of the American Association of Junior Colleges. The vision of serving the post-secondary educational needs of Barton County and the surrounding area through a junior college, originated with the Great Bend Jaycees in 1960 and was later affirmed by a vote of local citizens, allowing Barton County Community Junior College to become a reality on April 6, 1965.

The college's first President, Dr. C. Otis Robinson, along with 32 faculty members and seven staff members, welcomed more than 600 eager students the first day of classes on Sept. 8, 1969. Three members of the original faculty Dr. Downing, President, Pat Bauman, Director of Institutional Research, Evening, and Summer Programs, and Jim Nairn, Instructor/Business-Social Science Division Chairperson, have witnessed and participated in the growth and development of BCCC through their 25 year association with the college.

Twenty-five years later, enrollment has soared to 6,808 which includes full-time, on-campus students as well as students enrolled in outreach programs at 21 different off-campus sites. As enrollment numbers have grown there have been some changes in the makeup of the student body. In 1969, the majority of students were 18-19 years old and attended classes during the day. In 1994, a large number of students are over the age of 25 with many taking evening, outreach, and continuing education classes. Bauman said, "Today we still have those coming to the college with the idea of completing a year or two here and then transferring on to a four year college/university, but we also have a large group of students who are here to get the skills necessary to go out and get a good job immediately."

The 1969 opening of the college with only the Math and Science Building, Technical Building, and Library completed forced the young teaching staff to be innovative. Pat Bauman said, "We taught gym classes where we could find an empty space, like the lobbies of the T-Building and Math and Science Building. All of this forced us to be creative in the development of our curriculum and the way we taught classes."

The Classroom Building, Fine Arts Building, and Gymnasium complex were completed during the second year followed by the Administration Building and Student Union. Ongoing construction projects have included housing for approximately 300 students, out-door athletic facilities and additions to the Technical and Fine Arts buildings. Construction began in the fall of 1994 on a 44,500 square foot multipurpose building which will be attached to the PE building. This building will house a new office complex and make available an area for student activities.

BCCC was, in 1969, one of the first community colleges in Kansas to utilize computer technology, with a mainframe that occupied nearly all of the current computer center space. Twenty-five years later the campus has five computer labs, the library has several computers with CD ROM, and access to numerous databases, and most employees have a computer on their desk as the college strives to keep up with rapidly changing technology.

Technology is only one means of providing the best possible education for students at BCCC. In 1993, instructional quality at the college was recognized with 10 years of accreditation from the North Central Association of Colleges and Schools. At the threshold of its 26th year and the 21st century BCCC is looking forward to continued fulfillment of its original goals and setting even higher standards in an attempt to serve the Barton County community with another 25 years of excellence.

1969 and Still Building

1969

INTERROBANG- chosen as a name for the campus newspaper. An innterobang is a printer's symbol for a question mark and exclamation mark. Interro means question and bang means exclamation.

Connie Kruckenberg was the first student to enroll at BCCJC.

Joe Mermis was the firs Board of Trustee Chairman for BCCC.

Preliminary architectural drawings included a moat around the library, traditional high-rise dormitories, an amphitheater, and a football field.

David Sauer, Great Bend, was elected the first Student Senate President.

1978

BCCJC purchased the Great Bend Academy of Beauty, Inc. in late November to start it new cosmetology program.

1979

BCCC Child Care Center opened.

1980

BCCJC officially became Barton County Community College, acknowledging its mission to serve the needs of all citizens in the area.

1983

Kansas Community Colleges ranked BCCC the top rural Community College in the state in a research project conducted at Oklahoma State University.

1984

BCCC Educational Department at Fort Riley was started.

The first Employee Development Fund was established.

1989

June marked the beginning of Young People's College, which started with two classes and has grown to 1,053 students in 1994.

1990

Student Mattie Muffitt sculpted the limestone mermaid for the patio at the Student Union.

1992

The Center for Learning Achievement, located in the north end of the library, was developed in the summer as a resource center for student academic success.

The Grand opening of the Shafer Art Gallery was held in November.

Construction began in the fall of 1994 on a 44,500 square foot multipurpose building which will be attached to the PE building. This building will house the Registrar's Office, Admissions Office, Housing Office, Financial Aid Office, Business Office, Evening Snack Bar, Wellness Center, Running/Walking Track, Weight Room, Intramurals, Basketball practices and games, Volleyball practices and games, Danceline/Cheerleading practices and performances, Coaches/Athletic Director/Staff Offices. (photo by Chris Brake)

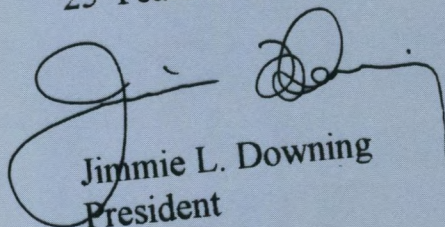

Welcome to the 1994-95 academic year at Barton County Community College. We are celebrating our 25th anniversary this year.

I think some very exciting events have been planned for this 25th celebration, and I hope you will make a commitment to be involved in these activities.

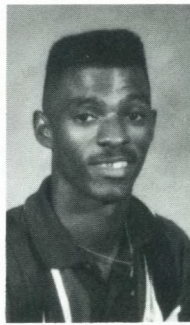

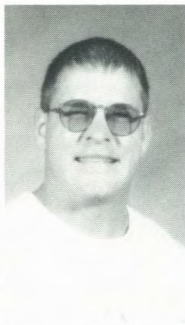

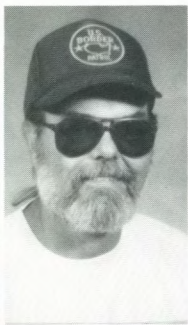

I believe the strength of our college comes from the people who work here. You are the ones who make a positive impact on student lives and on the life of our community and county.

I am proud to be a part of this college, and I hope you share this pride in our institution. As we recall many memorable moments during our 25th anniversary, may we all be responsible for making new memories for BCCC.

Barton County Community College held a back-to-school carnival in the parking lot of the student housing. At the carnival some events included a velcro wall, fun photos, human bowling, dunk tank, and a gigantic piano played with the feet as in the Tom Hanks movie "Big."

Jeff Johnson tries out the human velcro wall at the back-to-school carnival. (Photo by Ryan Metzen).
